

# All India Poster & Essay Competition under Electric Vehicle Awareness Programme mooted by Department of Heavy Industry, Govt. of India

## Why?

Today's new age mobility scenario is witnessing a paradigm shift in technology to combat the menacing issues of air pollution levels and global warming. Prevailing environment conditions require zero emission vehicles, which have paved the way for EVs, eliminating the repercussions of fuel driven vehicles. This results in reduced emissions & better air quality index eliminating imminent dangers to life on earth. ARAI Academy, a Skill Development Initiative of ARAI is committed to educate and upskill the country with a series of Electric Vehicle Awareness Programme. This competition is released towards the same goal.
