

ADMISSIONS OPEN

Evolve yourself as master in profession with

M. Tech. Automotive Technology

in collaboration with

ARAI ACADEMY,

**The Automotive Research Association of
India, Pune**

About ARAI

Automotive Research Association of India (ARAI) is a well-known Automotive Research, Development, Testing & Certification Institute in the country. The skill development initiative of ARAI is ARAI Academy, located in the middle of Industry at Chakan, Pune. It has classrooms and various laboratories like IC Engine, Noise & Vibration, Simulation, CAED, EMI-EMC, Automotive Engineering Systems, Automotive Electronics & Embedded Systems, Wind Tunnel, HIL, etc. The students are exposed to the latest trends, which help them to meet the requirements of ever-expanding Automotive Industry

About the Program

This M.Tech program intends to develop modern Automotive engineers required for the task of design and development in the automotive industry. We strive to improve the technical and professional skills of students through various teaching methods, hands-on and out-of-classroom education.

- Highly specialized automotive program for engineering graduates focused on project-based learning that integrates research, education, and outreach.
- First-semester intensive learning at RIT and second-semester includes core modules delivery at ARAI Academy, Chakan, Pune.
- Second-year is fully dedicated to research projects at the automotive industry/ARAI-Pune /RIT.
- Industry endorsed curriculum and regular interaction with automotive industry leaders.
- Placement opportunities in leading automotive companies.

Best in class

- Best Autonomous Institute with Global Vision Award (Navbharat Times)
- Most Innovative Brand Award (Arthsanket)

Choice Based Credit System

- Flexibility to select courses
- Industry oriented curriculum
- OBE framework

Salient Features

- NBA Accredited UG and PG programs
- Conventional & online course delivery
- Stipend for GATE Qualified Students

Excellent Research Environment

- Provision of in-house research funding to research scholars
- h-index publications in reputed journals
- State-of-the-art research laboratories from ARAI-Pune and RIT

Expert Faculty

Highly qualified and experienced faculties from ARAI-Pune and RIT Automobile

Admission

CAP rounds - DTE Maharashtra

(<http://www.dtemaharashtra.gov.in>)

18 Seats (14 CAP, 04 Industry/Academic sponsored)

Eligibility

B.E./B.Tech. Mech/Auto/Prod/relevant

+ GATE Score for CAP seat

02 years of experience for sponsored

Fees & Scholarships

1,15,000 /- Open, 7,300 /- SC/ST

State and Central Govt. Scholarships for

Minority Students
